16. Club Meeting Equipment Inventory
17. Club Video Inventory
18. Club Fast Scan TV Inventory
19. Expendable Inventory
20. Miscellaneous

It is my recommendation that the Board of Directors take responsibility for this inventory as a group. The designated custodians for this inventory must provide the clubs officers with a current status statement once a year. This status report must be turned in to the presiding club secretary by the June club meeting each year.

It is the responsibility of the secretary to hold this inventory and update it's status. A copy of this inventory must be provided to each club officer and updated yearly.

Jim WB9LNU  
Secretary

1. Club Seal

Present location 7/15/96

President Ed W9FWG

2. History Files

Present location 7/15/96

Historian Jim WB9LNU
